Keystone Point-of-Service lets you maintain freedom of choice by allowing you to select your own doctors and hospitals. You maximize your coverage by having care provided or referred by your primary care physician (PCP). You have the freedom to self-refer your care either to a Keystone participating provider or to providers who do not participate in our network; however, higher out-of-pocket costs apply. This program may not cover all your health care services.

This summary represents only a partial listing of benefits and exclusions of the Medical Program described in this summary. If your employer purchases another program, the benefits and exclusions may differ. Also, benefits and exclusions may be further defined by medical policy. As a result, this managed care plan may not cover all of your health care expenses. Read your contract/member benefit booklet carefully for a complete listing of terms, limitations, and exclusions of the program. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.ibx.com/LGBooklet or call **1-800-ASK-BLUE** (TTY: 711).

Benefits may be changed by Independence Blue Cross to comply with applicable federal/state laws and regulations.

Certain services require preapproval/precertification by the health plan prior to being performed. To obtain a list of services that require authorization, please log on to <http://www.ibx.com/preapproval> or call the phone number that is listed on the back of your identification card.

Referred benefits are underwritten or administered by Keystone Health Plan East; Self-Referred benefits are underwritten by QCC Insurance company, subsidiaries of Independence Blue Cross - Independent licensees of the Blue Cross and Blue Shield Association. www.ibx.com
